

Rights and Responsibilities

What are rights?

RIGHTS are the rules that help make everyone equal. You have some rights when you are born. These are called human rights because every person has them. You also have legal rights, which are backed by the law. It is important to know your rights so that if people try to take them away you can stop them.

What are responsibilities?

RESPONSIBILITIES are the things which others expect us to do. Responsible people know what their rights are and respect the rights of others. Being responsible means you care about other people's rights.
