Gift of Time Respite Cooperative

Handbook

Revised May 2021
Welcome to GOT Respite Cooperative

May 2021

Dear Parents/Guardians,

Welcome to a respite cooperative made possible through your willingness to gift your time, money, or supplies. Working together makes it possible for our participants to have opportunities for positive growth and development in an environment that is safe, fun, and enriching.

GOT Respite is a place where your family member will be encouraged to play games, develop social skills, and participate in a wide variety of activities. As you read through this handbook, you will receive a better understanding of our cooperative. Hopefully, this information will help prepare you and your family member for an enjoyable experience.

Set aside some time to read this information. It will give you a picture of the structure of the respite day. However, if you have further questions or concerns, please feel free to contact me.

If you would like to take a tour of the facility prior to your first day of respite, please let me know. I will be happy to accommodate your request at a time that will not disrupt respite participants.

I look forward to introducing your family member to new friends and our care providers.

Sincerely,

Robin Cooke, GOT Respite Coordinator

GOT Respite Mission Statement
The mission of the GOT Respite is to partner with families to provide a respite service that promotes positive growth and development in an environment that is safe, fun, and enriching.

Core Values
The Clermont County Board of DD and GOT Respite work to accomplish their missions by following core values:

Safe and Supportive Environment
for individuals we serve, families, visitors, care providers, and the community.

Understand
our mission, our values, our jobs, our mandates and to ensure that others understand.

Responsibility & Respect
for individuals we serve, each other, the community, to manage resources efficiently, and to provide access to efficient services and cooperatives.

Engagement
with the individuals we serve, families, advocates, each other, and the community.

Care Providers
All respite care providers have been carefully selected for their maturity, character, and experience with children, youth, and/or adults. All care providers have been thoroughly screened with a complete background and criminal history check. All care providers receive training in age appropriate activities, behavior management, and emergency procedures. The respite care providers are certified in CPR and Basic First Aid.

Typically there is a nurse on site, but there are rare occasions in which the scheduled nurse is not available or calls in at the last minute. When this occurs, every possible attempt will be made to secure a substitute nurse. However, if this is not possible, it may be necessary to ask that your family member not attend or that you return at the time your family member’s medication is scheduled to be administered.
Eligibility

Qualified Member and Siblings
Individuals meeting one of the following criteria are eligible to attend GOT Respite:

- Individual, age 3 through adulthood, is eligible for Clermont DD services without a Medicaid Waiver
- Sibling of an individual eligible for Clermont DD services who are age 3 or older

Families not currently receiving CCDD services should contact:
Joyce Luce
Phone: (513) 732-4831
Email: jluce@clermontdd.org

Referral for Respite
The GOT Respite Coordinator receives referrals from but not limited to the following:

1. CCDD Intake Coordinator -- via phone/email
2. CCDD Behavior Support Coordinator/Specialist/SSA -- via phone/email
3. Self-Referral ¹ -- via phone/email

Our Model
The GOT Respite cooperative is a partnership. Families are asked to participate in the cooperative in one (1) of the following ways:

- Gift of Time
- Gift of Money
- Gift of Supplies

Gift of Time
Points are earned by agreeing to support the cooperative with a Gift of Time. Volunteer opportunities are assigned point values.

To purchase respite with points, a Qualified Individual must earn 2 points per respite and 1 point for each attending sibling:

Point Schedule²

- Shop for and purchase supplies, snacks, other items .................. 2 points
- Facilitate an activity at respite ................................................... 1 point/hour
- Provide care at respite. ......................................................... 1 point/hour
- Making phone calls. ......................................................... 1 point/hour
- Other³ .......................................................... 1 point/hour

¹ GOT Respite Coordinator will follow CCDD guidelines to determine Qualified Families

² Points are awarded for fractions of the criteria. For example, collecting $15 will earn 1 point; making phone calls for 1/2 hour will earn 1 point.

³ Contact the GOT Respite Coordinator with your idea or to discuss the possibilities.
**Gift of Money**
Understanding that individual families have individual schedules and commitments of their time, members may elect to support the cooperative by purchasing 6 hours of respite\(^4\).

Qualified individual . . . . . . . . . . $30.00

Additional family member . . . . $15.00/each

Make check/money order payable to Clermont County Board of Developmental Disabilities. Payment is due in advance.

**Gift of Supplies**
Families are asked to provide snacks, arts & crafts kits, paper products or other supplies that are needed\(^5\). A request will be sent home when supplies are needed.

**Respite Dates**
Respite is typically scheduled twice each month. An annual calendar is available upon request by contacting the GOT Respite Coordinator.

**Respite Hours**
Sign In: 9:00 AM

Sign Out: 3:00 PM

**Location**
Respite is held at the Thomas A. Wildey Center located at 2040 US Highway 50 ● Batavia, OH 45103 (1.8 miles west of Owensville, OH). See Appendix A for directions.

**Groups**
Groups are typically limited to four (4) with up to six (6) participants each. However, a group size depends on participant needs (i.e., a group may be smaller to accommodate an individual needing one-on-one assistance).

**Parent/Guardian Interview**
Prior to attending respite -- for the first time only -- the parent/guardian will be contacted by the GOT Respite Coordinator for a telephone interview. This interview will enable the GOT Respite Coordinator to “know” your family member better and will assist in providing thoughtful and supportive care.

**Standby List**
A Standby List is created when a group reaches maximum enrollment. Individuals will be contacted when space is available.

---

\(^4\) May be combined with points as available.

\(^5\) May be combined with points as available.
Cancellations
In the event that you are unable to attend, it is important to call (via phone contact) the respite coordinator.

No Show-No Call
Individuals having a reservation but elect not to attend without calling in advance to cancel may lose priority status as a regular attendee.

Sign In
In the event of a health emergency, such as the COVID-19 pandemic, the following health assessment will be used prior to entering the building:

- Temperature of less than 100 degrees F
- Free from cough, shortness of breath, chills, muscle pain, headache

Parent/Guardian Signature
Parents/guardians must sign in/out their family member upon arrival with a full name signature. Parents/guardians must provide a phone number where they can be reached for the day.

In the event of a health emergency, such as the COVID-19 pandemic, a no-contact system will be in place. Parents/guardians will be notified.

Drop Off
9:00 AM
Sign-in table open until 9:15 AM

Late Arrival
Family members that will arrive later than 9:15 AM must make prior arrangements with the GOT Respite Coordinator by calling 513-399-7284 to ensure access to the building.

Information Update
Parents/Guardians will be asked to complete annual registration forms. However, parents/guardians should complete an Information Update Form in the event of changes to information such as address, phone number, medication given at home, or emergency contact. Completed form will be given to the On-Site Nurse during sign-in.

Emergency Treatment Authorization Statement
Before an individual may attend respite for the first time, parent/guardian must complete Emergency Treatment Authorization Statement. See Appendix B: Forms.

Medication Authorization
Participants requiring medication during the day will need written parent/guardian permission.

Parents/Guardians should bring only the exact dosage to be administered during respite.

➢ At no time should participants be in possession of medication.
➢ Medication must be in the original labeled container.

➢ Parents/Guardians will register medication(s) with the On-site Nurse during Sign In.

A Medication Authorization form must be completed prior to each respite. See Appendix B: Forms.

The information needed is

- name of medication
- dosage
- time of administration
- delivery (ex. by mouth)

Medication will be administered by the On-site Nurse, but there are rare occasions in which the scheduled nurse is not available or calls in at the last minute. When this occurs, every possible attempt will be made to secure a substitute nurse. However, if this is not possible, it may be necessary to ask that you return at the time your family member needs medication to administer that medication.

Participant can attend respite when:

- A temperature is steadily below 100 degrees for 24 hours without medication
- An infection has been diagnosed and participant has been on antibiotics for 24 hours
- It has been 24 hours since the last episode of vomiting or diarrhea
- Nasal discharge is not thick, yellow or green

**Personal Belongings**

Participants take all other personal belongings to their assigned room. These personal belongings should be in a backpack and will be available to them throughout the day.

**Sign Out**

**Pick Up**

3:00 PM Sign-out table open 2:30 PM until 3:15 PM

**Parent/Guardian Signature**

Parents/guardians must sign-out their family member upon departure.

In the event of a health emergency, such as the COVID-19 pandemic, a no-contact system will be in place. Parents/guardians will be notified.

**Parent Designee**

Parent/Guardian must give prior notice when a designee is assigned to sign-out a participant. Prior notice may be given at Sign In or by calling the GOT Respite Coordinator. If using phone notification, parent/guardian may be asked for identifying information. Designee must have an officially issued photo identification card for verification.
Late Pick Up
Sometimes unforeseen situations arise -- flat tire, stuck in traffic, sudden illness, etc. -- and necessitate a late pick-up. Family members that will be picked up later than 3:15 PM MUST make PRIOR arrangements with the GOT Respite Coordinator to ensure access to the building.

Medication
Parents/guardians who brought medication will need to sign-out with the On-site Nurse. Any concerns will be discussed and medication/containers returned.

Preparing for Respite
Attending respite for the first time can be a stressful experience. Proper planning promotes success. Take time to discuss respite together. See Appendix C for a social story that may help facilitate the discussion.

What to Bring to Respite
Listed below are items your participants will need for respite. Items should be packed in a backpack or plastic bag separately for individual participants. All items should be clearly labeled with each participant's name.

Lunch
➔ Participants may elect to bring a sack lunch and a drink. Lunch should be labeled with the participant's name.

or

➔ Participants may order lunch from a local restaurant. Menu is available on site. Orders need to be paid in advance (cash or check).

Clothing
Participants should NOT wear good clothes. Dress to get messy! Athletic apparel and clean gym shoes are always appropriate. Participants should bring an extra change of clothing in case of illness/accident.

Swimwear
Participants will need a swimsuit/trunks, and a towel.

What NOT to Bring to Respite
The following items are not allowed: knives or weapons of any kind (including chains); alcohol, drugs or tobacco products; expensive jewelry; personal video games, toys or card games; radio, tape or CD players; money. Please help us maintain a safe environment by not allowing your family member to bring these items. The GOT Respite is not responsible for lost, stolen or broken items that are brought to respite.

Activities
Participants will be involved in a variety of activities while at Respite to include: swimming, board games and puzzles, gym, ball games, and quiet activities such as listening to music and/or watching a movie. The activities will be scheduled by age and/or interest groups.
Inclement Weather
Respite is held rain or shine. Snow and ice, however, are another story. In the event of inclement weather, the GOT Respite Coordinator or volunteer will call to inform you of a cancellation.

Participant Illness/Accidents
In the event the participant becomes ill or has an accident, the GOT Respite Coordinator or On-site Nurse will notify the parent/guardian. Due to the large concentration of children, there are circumstances when the GOT Respite Coordinator or On-site Nurse will ask that a participant not attend or must be picked up early from respite. These instances will include a participant who has

- two or more episodes of diarrhea
- a temperature of 100 degrees or more
- vomiting or the combination of any of the above symptoms
- other symptoms (such as pink eye, uncontrolled pain, injury requiring further medical assessment)
- severe nasal or eye discharge
- an unidentified rash
- a contagious disease (chicken pox, measles, lice and ringworm)

Other situations
- Minor accidents/illness
  - The On-site Nurse will provide appropriate first aid and provide the parent/guardian with a copy of the completed accident/injury report form.
- Prescribed antibiotics
  - Participant must be on the medication for at least 24 hours before attending respite. If a registered participant has a communicable disease, please notify the GOT Respite Coordinator as soon as possible.
- If a participant becomes ill while at respite, parents/guardians/emergency contact will be contacted to make necessary arrangements to pick up the participant.

- A rash has subsided, or a physician has determined that it is not contagious
- Head lice/nits have been treated, and there is no sign of nits
- Ringworm has been treated and covered.

Injury reports
The On-site Nurse will follow the guidelines listed below for any participant in need of first aid or medical intervention (including but not limited to injuries, marks, discolorations, contusions or anything that may indicate a potential to require medical attention) as a result of an incident that occurs during respite.

1. The On-site Nurse will document the details surrounding the injury and determine if calling parents/guardians/emergency contact is necessary.
2. Medical attention will be provided and documented on the injury report form.
3. Should the On-site Nurse not be available, the forms must be completed by the GOT Respite Coordinator/Behavior Support Specialist.
4. All witnesses to the incident will verbally report to the GOT Respite Coordinator/Behavior Support Specialist and may be required to prepare a statement and submit it to the GOT Respite Coordinator. All evidence surrounding the injury will be gathered and reported.

5. The forms will be completed prior to the end of the respite event.

6. If the On-site Nurse determines that it is not immediately necessary to call and inform the parents/guardians/emergency contact of the injury, the parents will be informed of the incident upon their arrival to pick up their family member and will sign the injury report confirming that they were informed.

7. The original injury report will be submitted to the GOT Respite Coordinator.

**Participant Emergencies**

The On-site Nurse will treat routine scrapes and cuts. In all cases of serious illness or accident, the GOT Respite Coordinator/Behavior Support Specialist/On-site Nurse will contact 911 for emergency treatment as per the signed Medical Treatment Authorization Statement and will contact the parent/guardian/emergency contact immediately.

**Behavior Support**

Guiding the behavior is an important task that care providers take seriously.

**Participants will . . .**

- Show respect for self/others/property
- Respect personal space
- Keep hands/feet/body to self
- Stay in the assigned area
- Follow all facility and pool rules

**Care Providers will…**

- Set clear, consistent, fair limits for behavior
- Value mistakes as learning opportunities
- Redirect participants to more acceptable behavior or activities
- Use empathic listening skills when participants talk about their feelings/frustrations
- Guide participants to resolve their own conflicts and model skills that help them to solve problems
- Patiently remind participants of rules and their rationale as needed
- Use effective praise that is immediate, sincere and specific
- State directions in a positive fashion

**Parental Concerns**

If the parent/guardian has a concern/comment, please contact the GOT Respite Coordinator.

**Satisfaction Survey and Follow-up Interviews**

You and your family member may be asked to participate in a satisfaction survey. Your participation is voluntary. Your feedback is important and could help to better meet your needs and the needs of your family member.

Emergency Treatment Authorization Statement

This document is to authorize emergency treatment when the responsible party cannot be reached for respite participants who become ill or injured while under GOT Respite, Clermont County Board of Developmental Disabilities supervision.

YOU MUST COMPLETE EITHER PART I OR PART II

Part I -- TO GRANT CONSENT

As parent/guardian of ______________________________, I, the undersigned, hereby give consent to the administration of medical treatment deemed necessary by the On-Site Nurse, Emergency Medical Technicians, or a licensed physician or dentist.

This authorization does not cover major surgery unless the medical opinions of two other licensed physicians or dentists concur as to the necessity of such surgery prior to the performance of such surgery.

Date
Appendix C: Social Story about Respite

Respite Saturday at the Wildey Center

I will go to the Wildey Center on Saturday at 9 o'clock in the morning.
I will take my lunch or order from a restaurant.

On my first day, a care provider will take me to my room. I will meet others in my group and begin my first activity.
There are many activities offered at Respite.

<table>
<thead>
