

DSP Resources

AADMD: American Association Developmental Medicine & Dentistry

The Role of the DSP & the Coronavirus: Part I

Presentation by [Rick Rader](#), MD, AADMD VP of Policy & Advocacy

Summary: The current worldwide news about the emergence of the Coronavirus is on everyone's list of concerns, questions and insecurities. We created this webinar specifically for Direct Support Professionals to provide them with guidelines for understanding the virus, protecting the individuals they support in the community and offering reliable resources for ongoing news and practices.
